Terms and Conditions

The regular monthly deduction from the designated account at your financial institution ("Bank") and any other SecurePay deduction will include all charges billed on your Table Top Telephone Company statement including but not limited to Basic Service, Optional Calling Features, Internet Service, Table Top Telephone Long Distance toll charges, and other services you may add in the future, plus any applicable taxes, fees and surcharges. If there are insufficient funds in the account to cover the deduction, you will still be obligated to pay and will also be assessed a payment-declined (returned check) charge of \$25.00. In this event, the SecurePay service may be suspended, and you will be responsible for making your payment by credit card online or to our Business Office in Ajo on or before the final date to pay, in order to avoid a possible interruption of telephone service. Please refer to the reverse side of the first page of your monthly billing statement for further terms regarding Rendering and Payment of Bills.

Table Top Telephone Company is not liable for any losses incurred by reason of any failure in the automated deduction process. You agree to maintain sufficient available funds in the account on the business day of and just prior to each Deduction Date to cover the amount of the deduction. You are responsible for any fees that may be imposed by the Bank. If your account is not current at any time Table Top Telephone Company may suspend the SecurePay deduction service from your bank account, and you will be responsible for making payments directly. You may terminate your authorization for SecurePay deductions by notifying Table Top Telephone Company. Table Top Telephone Company will send reasonable notice if it suspends or terminates the SecurePay service. Following the effective date of any suspension or termination of SecurePay service by you or Table Top Telephone Company, you will be responsible for making your payments directly and in a timely manner. These terms and conditions are subject to change from time to time by Table Top Telephone Company upon reasonable notice to you.

PLEASE BE SURE TO CONTINUE TO PAY YOUR TABLE TOP TELEPHONE COMPANY BILL DIRECTLY until you receive a billing statement that includes a special message informing you that your account has been set up to be paid automatically by the SecurePay service. The regular monthly automatic payment will be deducted on the 5th business day of each month through February 2016, then on the 10th business day of each month beginning 3/10/16.

If you accept these terms, proceed to the enrollment form.
